Volunteer Opportunity

The City of Waterloo and the Cedar Valley Sportsplex offers a wide variety of youth sports activities. With the number of participants in each sport rising, it becomes difficult to find coaches for each team. In order to do so, it is often necessary to recruit parents of participants or other individuals in the community to coach. Our goal is to have volunteers who have significant experience in playing or coaching a particular sport, but that is not always possible with limited numbers. Volunteers are an instrumental factor in helping our programs and teams run efficiently. If you can help out or know of someone suitable please call Alex Hildman at 319-291-0165 or email at alex.hildman@waterloo-ia.org.

Some of the benefits to the City of Waterloo and the Cedar Valley Sportsplex utilizing volunteer coaches are:

- -Saving on staff costs and keep program costs from rising
- -Each team benefits in having at least one coach
- -More coaches per team allow each player to receive more individual attention and skill development
- -More coaches per team helps control and monitor the behavior of the individual players
