

Help us make the Pump and Run a grand slam in our community and your organization!

The Cedar Valley SportsPlex is passionate about making sure health and wellness is available to EVERYONE! The health expo is designed to bring attention to the businesses and organizations that work equally as hard as us to make a positive impact in our community!

All of the money that is earned from this event will help insure that we can continue to offer affordable youth health and wellness programs like speed and agility, tumbling, dance, indoor triathlon series, and kids circuits.
