1

Login to Activity Reg using the email tied to your membership, activities, and/or reservations.

Avoid making a new account if you already have a membership, have registered for activities or have made reservations.

If you have duplicate accounts, they will need to be merged and you might not be able to view all of our account activity.

2

If the system does not recognize your email, call the front desk to request a password reset.

Call: 319-291-0165

Instructions to access your account will be emailed to you.

3

What does Activity Reg give you access to?

Family members linked to your account, memberships, ID cards for checking into the facility, activity registrations, reservations, cards on file, financial details, and more.

Update or verify contact info, account photos, and more all from your electronic device.
