INFANT (PARENT-CHILD)—4 Classes | \$35 (CVSP Member \$30)

Infant classes are designed for children 6-18 months. Parents must be in the water with their child at all times. Infant classes allow children to acclimate to the water while developing basic swimming and water safety skills.

TODDLER (PARENT-CHILD)—4 Classes | \$35 (CVSP Member \$30)

Toddler classes are designed for children 18 months – 3 years of age. Parents must be in the water with their child at all times. Toddler classes allow children to gain a sense of comfort and independence in the water. Children will be introduced to basic swim skills and techniques that will prepare them for entering preschool age lessons.

PRESCHOOL 1—SWIM BASICS | \$50 (CVSP Member \$40)

Preschool 1 classes are designed for children ages 3 to 5 years old. Preschool 1 allows students to develop basic swimming skills while becoming more confident in the water. If necessary, parents may be asked to enter the water. Skills are performed with support from an instructor or assisted using provided equipment.

PRESCHOOL 2—SWIM FUNDAMENTALS | \$50 (CVSP Member \$40)

Preschool 2 classes are designed for children ages 3 to 5 years old. Preschool 2 focuses on fundamental swimming skills and movement through the water. Students will also be introduced to basic self-rescue skills. Most skills are performed independently or assisted using provided equipment. Children must be comfortable in the water without a parent present.

LEVEL 1 | \$55 (CVSP Member \$45)

Level 1 is designed for children ages 5 years and older. This class allows students to develop fundamental swimming skills such as breath control and body control. Students will learn to coordinate floating and kicking and be introduced to freestyle. Students will also develop basic self-rescue skills in shallow and deeper water.

LEVEL 2 | \$55 (CVSP Member \$45)

Level 2 focuses on refining the fundamental skills learned in Level 1. Students will work on coordinating freestyle and be introduced to the elementary backstroke, backstroke, and treading water. Students will also begin to develop basic survival skills in deep water.

LEVEL 3 | \$55 (CVSP Member \$45)

Level 3 is focused on refining freestyle, elementary backstroke, backstroke. Students will also be introduced to the breaststroke kick and breaststroke sequence. Students will continue to build upon survival skills learned into Level 2, including treading water.
